U.S. Troops Are Advancing on Attu

By MERRIAM SMITH
Copyright, 1943, by British United Press
WASHINGTON, May 25.—American troops continued to advance against the Japanese forces on Attu despite the fact that they are being hampered by sleet, snow and rain, the United States Navy announced today.

The communique said also that the Japanese main camp area at Kiska has been bombed again. In revealing additional details of last Sunday's raid on Attu by 16 Japanese planes, the communique added seven "probable" to the five enemy planes which were previously announced shot down.

The four remaining winged bombers were last seen streaking to the west after the attack had been cut to pieces by army light night fighters.

ENEMY "CORALLED"
Secretary of Navy Frank Knox said at his press conference today that the battle of Attu was "still continuing where we have the enemy corralled on the peninsula at Chicago harbor."

Knox termed the Japanese claim that the Navy was not certain whether the Japanese bombers which raided Attu twice in two days were based.

"However, our supposition is that they came from the Kurile Islands," he said. "But that is only a supposition."

Knox termed the Japanese claim that the Navy was not certain whether the Japanese bombers which raided Attu twice in two days were based.

"But I assume that the Japanese started, the Japanese can finish," he declared.

Western Board To Administer Salaries Order

OTTAWA, May 25.—(CP)—Labor Minister Mitchell announced today that a recent order-in-council has provided for the establishment of a western labor board to administer the wartime wages control order, including cost-of-living bonus, and the Fair Wages and Hours of Labor Act relating to employment on defence projects in Alberta, British Columbia, the Yukon and Northwest Territories, to far as residents of Canada are concerned.

The minister said the national and regional war labor boards will not continue to deal with the cases in the field assigned to the new board; nevertheless, the Western Labor Board is to be guided by general principles and directions given by the National War Labor Board, and may submit any questions to it for an advisory opinion.

Board Refuses Wage Increase To U.S. Miners

WASHINGTON, May 25.—(AP)—The War Labor Board refused today to grant a basic wage increase to the 40,000 coal miners in the United States but recommended some other concessions and losses other than a pay raise but no pay cut.

The board's decision was a surprise, as it was expected that the board would grant a 10 per cent wage increase to the miners.

Commander U.S. Army Air Forces Gen. Arnold Says Edmonton Holds Strategic Place on Route to Asia

The Edmonton Bulletin is privileged to present to its readers the following article, written exclusively for this newspaper, by General Arnold, Major D. A. Knott and a lieutenant given in their honor at the Prince of Wales Army.

General Arnold is the first United States Army airman to receive the rank of full general, which was conferred upon him last March. He is 56 years of age and equal in rank with General George C. Marshall, Douglas MacArthur, and Dwight D. Eisenhower.

By GEN. HENRY HARLEY ARNOLD
Commanding General United States Army Air Forces

Many years—nine to be exact—have passed since my first air trip across Canada to Alaska—many changes have taken place—in the world—in the United States—in Canada—in Edmonton and along the air route from the United States to Alaska.

The completion of this highway is one of the victories of the war. It is also one more example of an international friendship which is unique in the world.

The Bulletin's SPORTS BY Hal Dean

THAT Canadian girls seeking berths in the pro softball circuit can hold their own with their American rivals, is the opinion of Helen Nicol, after watching the various clubs in action for a few days in Chicago, where the tryouts are taking place.

In a letter written shortly after her arrival the former Army and Navy Pats pitcher gives a few very impressive words certainly more than ordinary interest.

It will be recalled that Miss Nicol left here about 10 days ago with Annabelle Thompson, chucker for the Chicago White Sox, to play with several other western players made the trip from Winnipeg to Chicago together. The Edmonton girls are quartered with two from Toronto in a hotel fairly close to the Cubs' Whitey Stadium.

RULES AS IN BASEBALL

IMMEDIATELY upon arrival in Chicago the girls were all handed pamphlets setting out a definite code of rules which were to be followed during the tryout period.

The playing rules are somewhat the same as in baseball. The girls are made up of nine, not 10 players and the pitcher's box is 40 feet from the plate instead of 60 as in the Canadian girls game. Leads are permitted. Umpires include strike and "backs" and cleared shoes. Practically the same as used in baseball are also provided.

Workouts are held every afternoon, excepting Wednesdays, from 4 to 6. Lectures are given in the morning on the various rules of the game. A talk by Helena Rubenstein, noted beauty expert on the use of make-up to walk properly, etc. Helen ventured that "Glamor" girls are instead of "softie" girls, as a name might be even more appropriate. She had, however, the highest praise for the treatment.

Fight Lasts Seven Rounds

Armstrong Stops Shapiro For 19th Comeback Victory

PHILADELPHIA, May 25.—(AP)—That old master of fighting—Henry Armstrong, of Los Angeles—last night belted out a seven-round technical knockout victory over Maxie Shapiro of New York before 8,842 at Convention Hall.

Armstrong weighed 140½, Shapiro 135.

Before the end came after 1:58 of the seventh round in the scheduled 16-rounder, the little diamond, former holder of three world championships, had floored Shapiro for a fourth time in the sixth and again shortly after the start of the seventh.

Referee Matt Agie stopped it after Armstrong had landed a savage left cross that made Shapiro spit blood. Armstrong, obviously getting strong while Shapiro weakened, looked at the referee as if asking, "Why go on hitting him?" Agie didn't hesitate.

He waved Shapiro to his corner and raised Armstrong's hand.

The victory was Armstrong's 19th in 22 bouts since he came out of retirement a year ago.

Ben Montgomery, Philadelphia's light heavyweight champion who may fight Armstrong next, watched from the ringside.

The crowd of 8,842 contributed to a gross gate of \$21,654.

BALTIMORE, May 25.—(AP)—Bewildering his opponent with dancing speed and losing dynamite in the both feet, Lee G. Murray projected himself squarely in the middle of the heavyweight fight picture last night with a decisive eight-round knockout of Alf Br. Nicks, Detroit Negro.

The South Norwalk, Conn., leather-engraver employed an unorthodox outpunch style that the referee fuddled and ineffective as he attempted to get inside Murray's guard to use his characteristic round-and-tumble infighting. Only in the seventh did Murray have an edge, tipping the scales at 20½ against 20½ for Murray.

No. 3 "M" Depot Athletes Qualify For Highland Games

Before a large crowd of airmen and visitors the track and field season was inaugurated at No. 3 "M" Depot on Monday, May 24, in the Depot stadium.

The features of the meet were the tug-of-war contest which was won by the Reception Wing, the photo finish in the 100-yard race, and the high racing demonstration by "Torchy" Peden.

Other highlights in the meet were the sack race in which the girl and Australian officers participated. C. Coy, a former British Empire champion, won both the discus and the 16 pound shot put.

The winners in each event will represent the station at the forthcoming Highland games to be held on Saturday, May 25.

Today's Sport Parade

By Jack Cuddy
Exclusive to The Edmonton Bulletin
Copyright 1943 by William Cuddy Press

NEW YORK, May 25.—The National League dominated baseball and increased its following among the nation's fans during the season's first phase of play, completed Sunday.

Each major league club had a chance to test its prowess against every other team in its circuit during this "test-out" period, except for principals in the washed-out Yankees series.

Although competition was hampered by the worst weather we can recall in any first month of play, the elements failed to dampen the National League enthusiasm as the Phillies and Braves amazed everyone with their inspired baseball and the Dodgers and champion Cardinals moved into position for another electrifying pennant battle.

NATIONALS GETTING PLAY

PERFORMANCE of this quarter, aided by the Cubs' hot play with Lou Newkirk and the Giants' desperate acquisition of Eric Lomardi—the national champion batsman—enabled Fredrick's circuit to command more than its share of space on the sport pages.

Meanwhile, the American division—short of stars as Joe Judge and Dick Williams and Johnny Pesky—failed to sparkle, although play in Will Harrigan's circuit has been on an unusually even keel, with only one and a half games separating the last-place Red Sox from the leading Indians.

The pennant-favorite Yankees, apparently living in the past, failed to add a dab of color to the drab American League season, although they led the circuit until overhauled Sunday by the Indians. The Yankees' season was dimmed in deed as they lost five of the six contests which the reluctant weather permitted.

PHILLIES PACK 'EM IN.

THE highly-touted Browns were disappointing. The White Sox were in the doldrums, and the Red Sox apparently are doing no place—farther than expected. Only the Indians and Senators displayed any thing.

As yet we haven't totaled the attendance for this first phase of play, but our recollections of the daily ball park dispatches leave us with the impression that the National league games have outdrawn American contests by a robust margin.

Philadelphia—under their new owner, Bill Cox, and manager, Bucky Harris—are performing "miracles" at the Philadelphia turnstiles. Sunday, for example, they drew 37,778 fans while entertaining the sixth place Pirates.

In view of the war-caused scarcity of youthful major league talent we haven't noticed as many roving grabbers as expected. We can recall only six freshmen showing much attention: pitchers Reese and Philo of the Athletics, Ewell Page of the Senators, Jack Kralie of the Phillies and Stubby Stein of the Tigers; outfielder Dick Wakefield of the Tigers and infielder Ed Stanky of the Cubs.

Major Leagues

Idle Again Today
CHICAGO, May 25.—(AP)—The major leagues are idle again today and New York Yankees doubtless will be glad to use this free time to help the government discourage wartime travel.

The American League champions have just completed what was to have been a grand tour of the west and they had about as much success as a motorist with four flat tires and an "A" card.

There was strictly no pleasure in their laud—and very little business. Of 14 scheduled games, they were able to play only seven, because of weather conditions. Of the seven they did play, they lost six, and the American League lead.

Saturday, April 17, was the hottest day of spring in Britain. Sea temperatures rose from 74 degrees on April 15 to 75 on April 17, when there were 11 hours of sunshine and a cloudless sky.
